Vaccine Shortage and Public Flu Clinic Updates

Due to a shortage of vaccines the mass flu clinic scheduled for tomorrow October 20, 2020 at the Department Of Transportation (DOT) has been cancelled. In addition to all future public health flu clinics have been postponed until further notice. We will announce more information on future flu clinics to be held in Oneida County pending shipments of vaccines. Please follow us on our Facebook page Oneida County Health Department or our website https://publichealth.co.oneida.wi.us/ for updated information.

We have limited amounts of flu Vaccines For Children (VFC) available at the walk-in flu clinic located at Oneida County Health Department (OCHD) in Rhinelander. Hours of operation for flu vaccines are: Monday-Friday 8:30am - 4:00pm. Appointments are NOT necessary for flu vaccines at OCHD. Please call prior to ensure vaccines are available.

Currently we are out of all adult flu vaccines.

For more information call Oneida County Health Department 715-369-6111, press ‘0’ to reach the front desk receptionist.
